

CAPABILITY STATEMENT

ABOUT US

Bloom Transportation is a leading provider of reliable and efficient transportation services, specializing in logistics solutions for federal and government agencies. With an unwavering commitment to excellence, we have established ourselves as a trusted partner for organizations seeking dependable and secure shipping options.

At Bloom Transportation, we recognize the unique challenges faced by federal agencies in transporting sensitive materials, equipment, and supplies. Our team of experienced professionals is dedicated to delivering tailored transportation solutions that meet the specific needs of our government clients. We understand the importance of compliance with federal regulations, and we work diligently to ensure the highest standards of safety and security throughout the logistics process.

OUR SERVICES

- **Trucking Services**

Even as a top-of-the line intermodal freight service, our roots in trucking remain at the core of our business. Our experienced drivers are dedicated to transporting goods efficiently and safely. We train all of our employees to make sure that transfers are done seamlessly so that time is not lost in transition.

- **Specialty Services**

Our warehousing and distribution services are organized by a state-of-the art inventory system, ensuring that cargo ends up divided into the right trucks and sent to the right destination at the right time. Our warehouses are protected by 24-hour security systems.

- **Complex Logistics**

Complicated logistics are our specialty. All you have to do is let us know what your shipping goals are, and we will work out the most efficient way to get your cargo where it needs to be. Questions? We are happy to give you a detailed report on where everything will be along the way.
